GRANULES OF HYDROCOYTLE ASIA
OF J. LEPIKE.—According to the official report of the Academy of Medicine, Paris, according to the experience of the Professors in the East Indies and in other countries, this drug is a most successful remedy for the Diseases of the Skin, of the most serious nature, as Lep. Elephantiasis, Syphilis, Scrofula, Rheumatism, &c., &c. The Academic report has widened the original scope of action, which in the Indies was confined to the skin.

Several distinguished and authoritative on skin diseases, as Guzman, de Vergara, Billiet, Phylax, de St. Louis Hospital, have used it successfully for European Skin Diseases, rebellious Cutaneous, Impetigo, Herpes, &c., also for Syphilis.
